

VOLUNTEERING GETS BIG RETURNS

UNITED WAY SEEKS VOLUNTEER TAX PREPARERS FOR 2016 TAX SEASON

YOU CAN HELP low income working families get the tax refund they have earned. Last year, volunteers helped return \$6.3 million to 3,861 individuals in local communities; money that many families used to increase savings, pay for education, or make a down payment on a home.

The time commitment is totally flexible.

- Tax prep season runs from January to mid-April at 6 programs across Greater Boston and Merrimack Valley.
- Shifts range from 2-6 hours during daytime, evenings and weekends.
