Last year, with your help, we fed over 6,500 struggling families. Please join with your family, friends or coworkers to support The Thanksgiving Project, the largest collective initiative of its kind in our region. Together, we will again celebrate the true meaning of the season by giving and volunteering to help our neighbors in need.

Three ways to help:

1. **Donate Money**
   Just $50 will feed a family of three or more.
   To give, please donate online by visiting unitedwayconnect.org/thanksgiving

2. **Donate Food**
   Run a food drive for a particular food item (see list).

3. **Volunteer**
   After donating, individuals, families and groups can help pre-pack Thanksgiving care packages during the week of November 14-17 or distribute meal kits on Saturday, November 18. Volunteer sites include Dorchester, Lynn, the South End, the South Shore and Merrimack Valley.

**Food Drive Collections** run until November 10th.
Delivery to: BCEC, 415 Summer Street, Boston on Monday, November 13th.

Thank you for joining the movement to help people today and build a brighter, stronger future for everyone in our community.
