UNITED WAY FIGHTS for the financial stability and educational success of every person in our communities.

We identify the most pressing issues in our communities and bring together the people who can solve them.

United Way funds agencies that, working together, can tackle complex problems like homelessness or the academic achievement gap. We create programs and initiatives to fill unmet needs. We deploy volunteers and socially responsible companies as the engines of change and the feet on the street, delivering hope to people in need.

Last year we connected 37,324 donors, 5,016 volunteers, 3,044 companies, 261 nonprofit agencies, and managed 20 initiatives to change lives in our community in 4 important areas:

- ENDING HOMELESSNESS: stabilizing families in safe, affordable housing.
- MOVING FAMILIES OUT OF POVERTY: helping low-income families take real steps toward financial stability.
- GIVING CHILDREN A SOLID FOUNDATION: fostering the learning and development of our region’s most vulnerable children.
- PREPARING YOUTH FOR SUCCESS IN LIFE: helping young people along the path to vocational and college success.
