At United Way’s 10th Anniversary Community Baby Shower, parents get the opportunity to connect with important maternal and early childhood health services, ensuring that their newborns get the best possible start in life. With onsite childcare, each parent can focus on getting the most out of all available support. Each family also gets access to infant necessities and educational resources to help them start parenthood on the right foot.

In the spirit of a traditional baby shower, United Way’s Community Baby Shower is a celebration of more than 300 new and expectant parents. In a supportive and safe environment, they can come together to relax, enjoy refreshments, and connect with new friends.

The Community Baby Shower is supported by United Way’s Women United group, our corporate partners, and the dedicated volunteers who make this event possible.

For more information visit unitedwaymassbay.org/communitybabyshower or contact Kiara Lum at klum@supportunitedway.org or 617-624-8005.

HOW YOU CAN GET INVOLVED:

SUPPORT A NEW PARENT
Donating directly to the event is encouraged. Funding remains our greatest need as we strive to provide on-site resources, educational trainings and gifts to the new parents.

SPONSOR A BABY BASICS BOX
For $100 you can sponsor a Baby Basics Bin, which includes clothing, safety items, and the essentials every parent needs for their newborn.

RUN AN ITEM DRIVE OR VISIT OUR AMAZON REGISTRY
You can help supply gifts and the items in the baby box that gets provided to new parents. All item drives must be completed and delivered by April 8, 2020. To coordinate drop off please contact klum@supportunitedway.org.

VOLUNTEER
Helping hands to assist with setup and volunteering on the day of the event are always needed and welcome.

ABOUT WOMEN UNITED:
Women are powerful agents of change. Women United provides meaningful opportunities for women to connect with each other and their communities as philanthropists and volunteers. Join a network of more than 1,600 of the region’s most accomplished women dedicated to creating positive, lasting change for people in need.
