

PLEASE TAKE A FEW
MINUTES TO GIVE.

TOGETHER, WE WILL OVERCOME THIS HEALTH AND ECONOMIC CRISIS

It is critical that we sustain the emergency response, while helping our communities emerge stronger, and more prepared for the future.

Your Pledge to United Way will:

- Fuel programs and services critical to our COVID-19 economic recovery efforts, such as food and housing assistance, early education, job training, support for low-income students in remote learning, and more.
- Keep at-risk youth engaged in school and on track to graduate from high school and compete in the workforce.
- Help hundreds of thousands through 2-1-1, United Way's 24/7 information and referral helpline connecting those in need with community resources. Since the onset of the pandemic, 2-1-1 has fielded an increase in calls of over 200% for assistance with basic needs.
- Provide urgent basic needs assistance with food, heat, and housing.
- Ensure that very young children are enrolled in quality early childhood programs so they enter school ready to learn, read and succeed.
- Empower struggling families with financial education and job skills training so that they can become financially stable and provide a brighter future for their children.

Thank you for stepping up to help when your friends, families and neighbors were in need. Your support has put food on the table and kept the roof over their heads. **The fight is not over. Help us as we continue to reimagine and rebuild our communities.**
